

Project Scope & Estimated Costs

Project Scope for first phase of the KVLC is 4 floors, each about 2,000 sq. ft. In the second phase plans call for expanding the existing building vertically to 7 floors and horizontally to 4,000 sq. ft. per floor.

- Estimated cost US \$80K per floor.
- Total project cost approx. \$720K
- Visions is committing US \$158K for two floors.
- Additional funding of \$162K is required for completion of the project.
- Timeline for completion is 2009. The initial stage for development (first 4 floors) will commence in early 2008; floors will be added as funds become available.

This project will benefit thousands of youth living in Colombo, including hundreds of recent refugees from the Northeast, as well as teachers and members of the community at large.
